

2019
**APA
Convention**
August 8-11 • Chicago

Welcome

Linda Skitka
2019 President

Welcome to the APA Convention in Chicago!

The Windy City is an international hub for finance, culture, and commerce. Check out a Cubs game at Wrigley Park, the Cloud Gate sculpture in Millennium Park, stroll along the Navy Pier, or catch a show in a city with a rich live music and theater history.

Jarret Crawford
Division 8
Program Chair

In 2019, the Division 8 program features cross-disciplinary sessions that showcase a diversity of topics, current issues, and scientific progress. We hope you come away inspired for your own work!

In addition to a weekend full of training and learning, there is ample time for networking and fun. Please join us at our social hour, whether you are a current or future member.

We will see you in Chicago!

About Division 8

Our Mission and Goals

Division 8 of APA is dedicated to the fields of social and personality psychology. Activities for the division are organized and funded in part by the Society for Personality and Social Psychology, Inc., (www.spsp.org). Membership in each organization is separate.

Division 8 seeks to advance the progress of theory, basic and applied research, and practice in the field of personality and social psychology. Members are employed in academia and private industry or government, and all are concerned with how individuals affect and are affected by other people and by their social and physical environments.

About SPSP

Our Mission and Goals

With over 7,500 members, the Society of Personality and Social Psychology (www.spsp.org) is the largest organization of social psychologists and personality psychologists. Founded in 1974, the Society has three general missions:

- Produce and Disseminate Knowledge to the Profession and the Public for the Public Good through Personality and Social Psychological Science;
- Promote the Careers of Students and Professionals in the Areas of Personality and Social Psychology; and
- Recognize and Promote Achievement in Personality and Social Psychology.
