Dating Apps and Love (1)

1) Do you believe the use of dating sites and apps affects how attractive you view individuals once you meet them in person?

Dating Apps and Love (2)

2) Dating sites and apps have led to one large change in the mating process: More choices! Individuals now have many, many choices when trying to find a mate. Do you think more choices is a positive or negative thing for modern romance? How might this relate to cognitive dissonance and the decision-making process?

Dating Apps and Love (3)

3) How might using dating sites and apps affect your self-esteem?

Dating Apps and Love (4)

4) Why do many find dating apps, such as Tinder, so addictive?
